Looking Forward To Looking Back

LOOKING

FORWARD . . .

Memories are something we either cherish or wish would go away. We've each sat down and thought about all of the good times and bad times we've had. Goals are something we set for ourselves and look forward to achieving. Our trials throughout all of this become memories in the end. But have we sat down and thought about looking forward to looking back? In this we mean scanning the future to a time when we will look back on the present as a memory. For, you see, one day in the future today will be a memory on which we'll look back, and some will wish they could return, while others will be happy those thoughts are only memories.

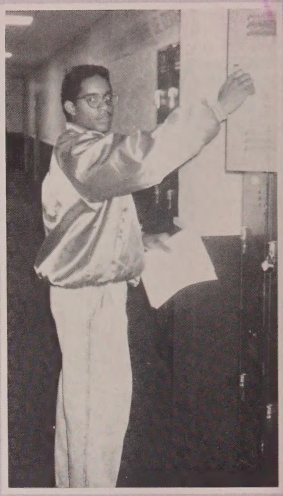
LOOKING FORWARD



Top, Brian Brock looks up from studying. Top right, Linwood Hernandez grabs his homework. Immediate right, Chris Brown and Daryl Works look surprised. Far right, Jonny Buckley flashes a smile.

Above, Charlotte Rasnic and Kevin Land look on as Mrs. White explains some important news. Right, new student Jimmy Ray Adams looks forward to 1990-91 at VHS.

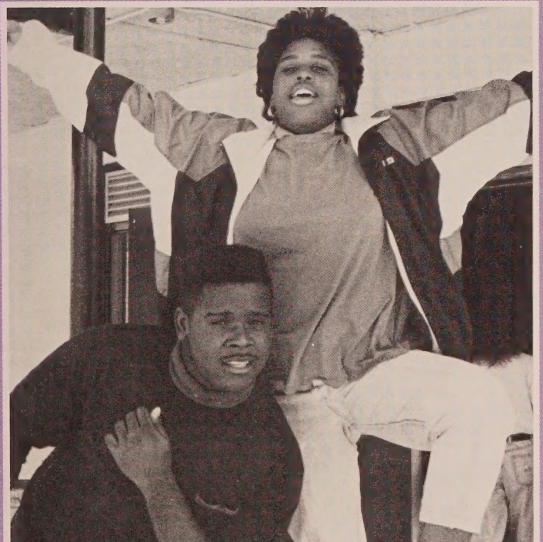
STUDENT LIFE

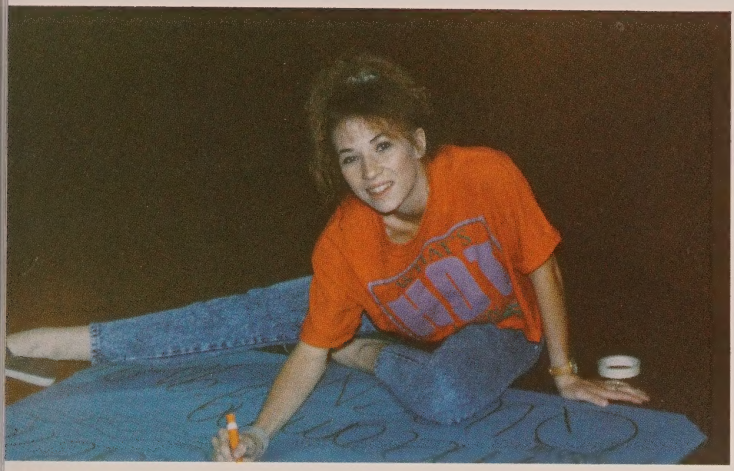


From top to bottom, left to right: Pals Debra Gipson and Teresa Pettis pose with their pom poms. Seniors Jennifer Sweigart, Charity Worthing, and Joy Dennis. Neal Fraser, Randy Miles, Shane Waller, and Steven Birge taking it easy. Carla Pipkin and Latrelle Reno smile for the camera. Tammy Holley and Wendell Rogers hanging out after lunch.

The majority of students at Vernon High School have been friends for what seems like forever. They can always find something to do together in between the hustle and bustle of their classes.

Even though VHS students come from a number of small communities in and around Vernon, nearly everyone feels a comaraderie that is unusual to find in a lot of places. The memories made at VHS and the friendships gained allow students to "Look Forward to Looking Back."

From top to bottom, left to right, Shane Waller at his locker after school. Senior Jennifer Sweigart poses in the gym. Teresa, Dede and Latrelle seem to be having fun in p.e. Kyle, Jessica, and Joan enjoy a game of Jeopardy in Mrs. Sapp's room. Jennifer, Charlotte, and Tanya smile for the camera.



Top to bottom, left to right: Latrelle Reno works on her homecoming queen sign. Tonia Gilley and Faye Griffin look forward to another riveting English class. Raymond Fry, Chris Pielow, and Kevin White pose for the camera. Apparently Coach Allen is looking back to the days of his youth (!?!) Zack Dixon takes Steven Birge for a ride in the lunchroom. Niki Brock and Whitney Barfield — best of friends.

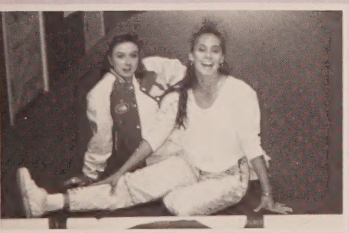
In August 1990, Iraq invaded Kuwait under the leadership of Saddam Hussein. The United Nations then sent into Saudi Arabia thousands of troops to defend Kuwait. On Jan. 16, 1991, the United Nations launched their first attack on Iraq in what is known as "OPERATION DESERT STORM".

From the beginning of the attack, Saddam Hussein led counter attacks against Isreal and the United States Air Force Base in Saudi Arabia.

Hussein also caused a huge oil spill in the Persian Gulf, setting it on fire, causing environmental damage that may remain with us for years in the future.

At the time of publication, the war rages on, although President Bush has promised us this will not be another Vietnam and that we will be victorious.

Students and staff here at VHS have shown enormous support of our troops overseas and will continue to send our thoughts and prayers to them until they return home.



Clockwise from top left: Linwood Hernandez and Jaylon Brock tell Summer McKeithen to hang loose.

Michele Jenkins tries to make us believe she's tough!

The lunchroom gang — Hey! Where's the food?!

Barbara Bell surprised by the cameraman.

Faye Griffin wonders what Lynn Easterling finds so funny.

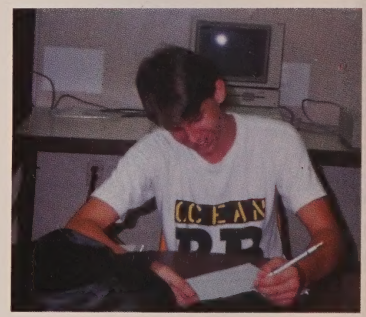
Musclemen of VHS: Zack Dixon and Norman Parrish.

Charity Worthing looks so sweet. Only her family knows the *real* Charity!

DATING:

A VHS SURVEY

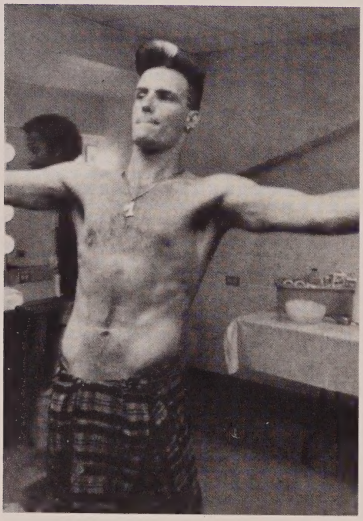
The Vernon High yearbook staff conducted a survey asking these questions: 1) If you could choose anyone in the world to date, who would it be? 2) If you could choose anyone in your grade to date, who would it be? and 3) If you could date anyone at VHS, who would it be? We received many "different" kinds of answers in your responses, and some of the more popular picks for dates in answer to question number two are pictured here. Overall, some of the most popular choices for question number one were Paula Abdul and Johnny Depp, while Coach Allen and Mrs. Bush garnered quite a few votes in response to question number three.



A lot of people over the past year have moved in and out of the "hot" spot. At right are some of the hotter personalities: The Kentucky Headhunters, Vanilla Ice, the Simpsons, Paula Abdul, Chucky, Julia Roberts and Richard Gere, and Patrick Swayze and Demi Moore. At the bottom is the not-so-hot crowd: Roseanne Barr, Sinead O'Connor, Bruce Springsteen, and the Lip-syncers Milli-Vanilli.

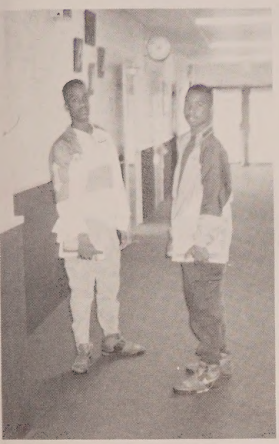
HOT

"Don't have a cow, Man!" -Bart Simpson

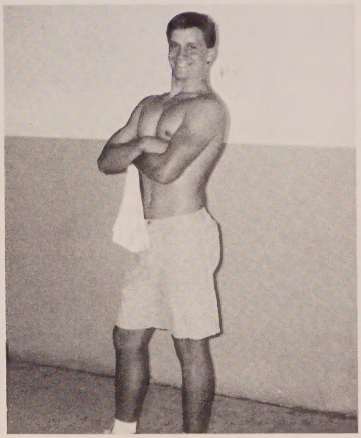


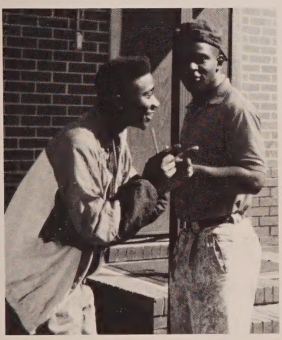
NOT-SO-HOT

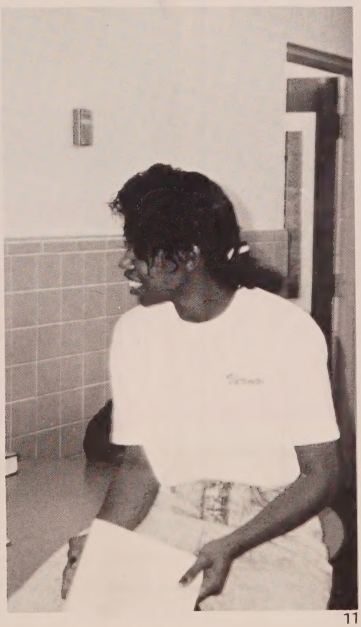
PEOPLE



How a student reacts to high school in general usually determines whether he is a freshman, sophomore, junior or senior. Freshmen, sophomores and juniors catch on quickly to the swing of things, while seniors are said to have a natural aura that expresses who they are.







MR AND MISS VHS

Acquiring the titles of Mr. and Miss VHS is quite an accomplishment. First, faculty members nominate seniors, and then students in grades 9-12 vote for the senior guy and senior gal they think best represents Vernon High School. This year Lynn Easterling and Shane Waller have the honor of being Mr. and Miss VHS of 1990-91.

SENIOR BEAUTIES

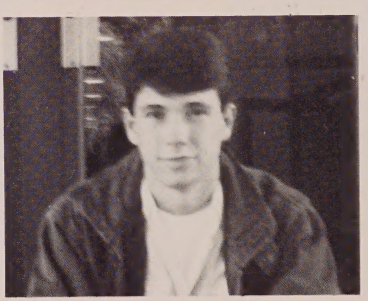
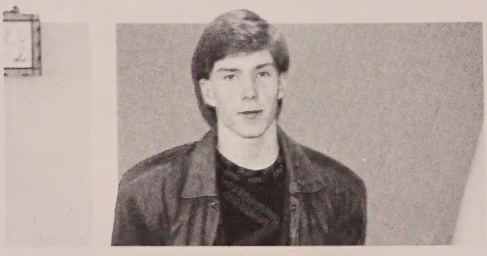
SENIOR OFFICERS

Our 1990-91 senior class officers are President, Kevin Land; Vice-President, Nick Kolmetz; and Sec./Treasurer, Joy Dennis. We appreciate the effort that they put forth for the senior class.



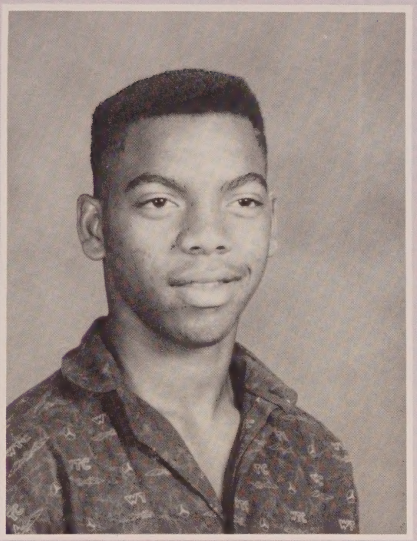
Nick Kolmetz: 1990-91 senior class vice-president.

Joy Dennis: 1990-91 senior class secretary/treasurer.



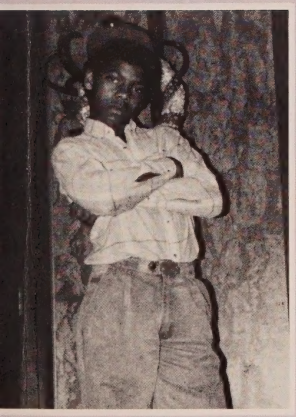
Kevin Land: 1990-91 senior class president.

In Loving Memory . . .



Alexis Reiko Andrews was born in the year 1973 on the fourteenth day of July. He was born to Mr. Harry Lee and Mrs. Carolyn Jean Andrews. Alexis was well known and loved by his fellow classmates and friends. Alexis was fun to be around and he was well liked. Some of you probably didn't know him, but if you had been given the chance to know him, you would have liked him. Alexis was a senior here at Vernon and was very active in sports, especially football and basketball. On Tuesday, June 12, 1990, he passed away. We are all saddened by his parting, yet rejoice at the thought of his going home. Although he is no longer with us physically, Alexis will live on in our hearts forever.

Alexis Reiko Andrews



A few comments given by a teacher and close friend: "Alexis was unique, friendly, caring,and fun-loving. He had common sense enough to know how to be himself and not be pressured into actions by peer pressure that he knew was wrong for him. All of us could have and did learn from him." — Michael Brock. "Alexis Reiko Andrews, a young man who is loved and missed by many, is a very special someone to me. Alexis was a strong-hearted and confident person, who always believed. Believing and having confidence were two qualities Alexis carried with him either when he ran out on the field or shot the basketball. On the field, the court, or whatever it was he was trying to accomplish, Alexis was always being the best that he could be. That's what made him a great person and friend. I'll miss him greatly." — Tolisha Brown.

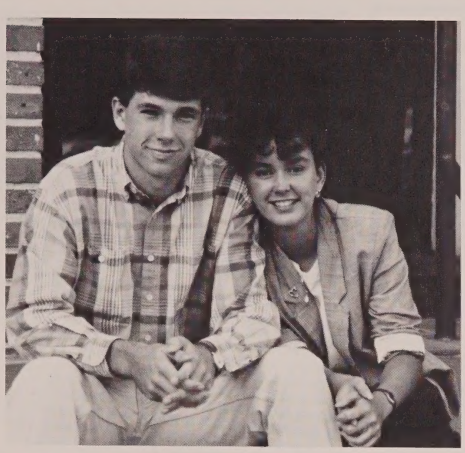
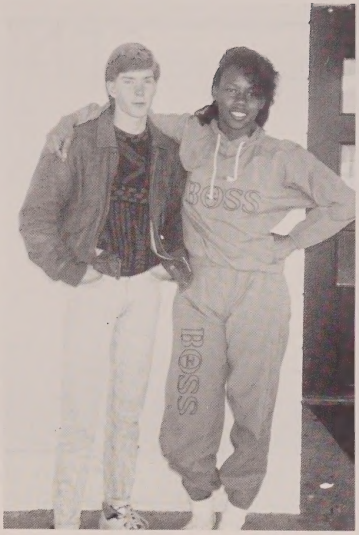
HALL OF FAME





Every year there are nine seniors chosen by the teachers for Hall Of Fame. The teachers choose the students they think are in the top 10% of their senior class. These students are chosen on the basis of grade point average, leadership ability, involvement in school activities, enthusiasm, and dependability.

ADMINISTRATION

The administration for the 1990-1991 year did an excellent job. Mrs. Ruth McCrary, Mr. Howard Riley, and Mrs. Willie Mae Cook have had many difficult decisions to make but have shone through brightly. They have dedicated much time and effort toward making the school run as smoothly and efficiently as possible. We commend them on their many contributions and fine work with fellow faculty members and students.

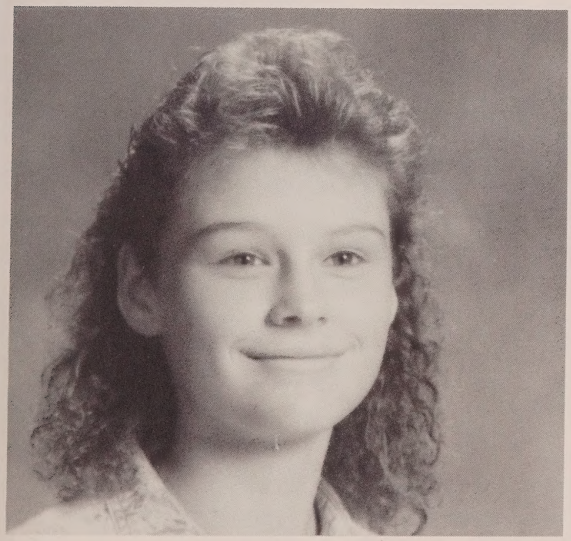
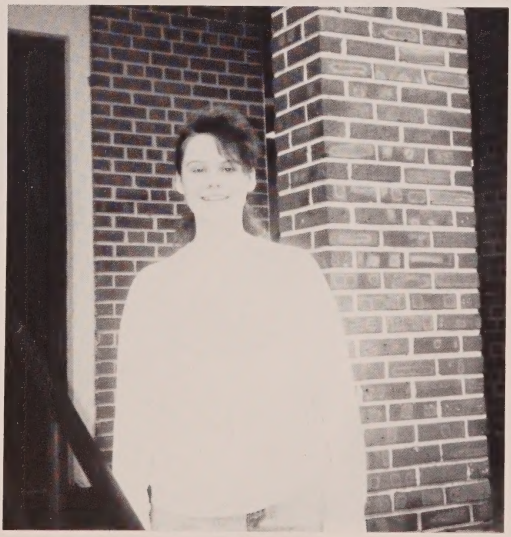
CLASS OFFICERS — Who says good friends can't work well together?! This year's 1990-1991 Freshman class officers are all three good friends (and two of them are sisters!) The ninth grade officers are president Chastity Reno, vice-president Lindy Trye, secretary-treasurer Cindy Tyre. All three of these girls participate in numerous organizations and are members of the B-team cheerleading squad.

CLASS BEAUTY

This year's Freshman class beauty is Donna Jackson. Donna participates annually in softball.





CLASS FAVORITES

The Freshman class as a whole seems to be one big group of friends, so it was difficult to decide on only two from the grade as favorites. It was close in the voting, but the class finally chose as ninth grade favorites Brad Weeks and Lindy Tyre, two top-notch Freshmen.

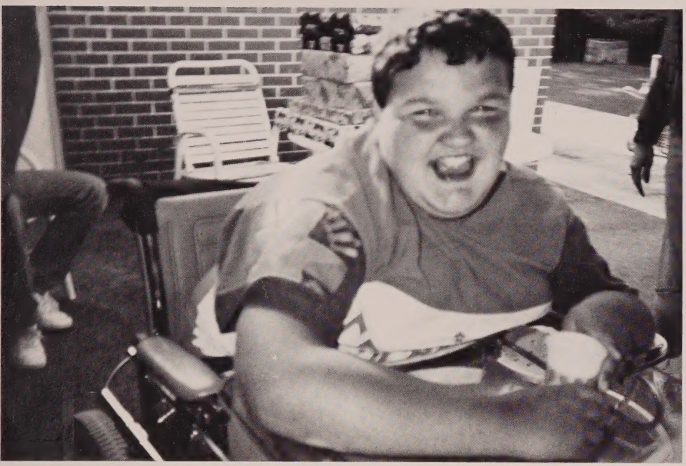
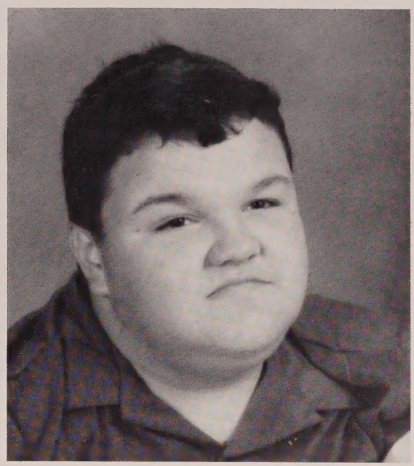
IN DEDICATION TO . . .





To know Tyler was to know life itself, for Tyler was the epitome of all that is good and beautiful in life. Tyler was a seventh grader who loved his family, his church, his friends, his school, and his teachers. All who came in contact with Tyler loved him. Often, we would see him racing down the walkway with friends, enjoying life to its fullest. Tyler's grades examplified his desire to do his best. An "A" student, he was never satisfied with doing less than his best. Tyler exerted an aura around him that gave off the fragrance of "beauty." In the short time he lived, he touched more lives than most people do who live a full life time. We miss Tyler, but the love he left for us will live in our hearts forever. Thanks, Tyler, for leaving high ideals by which we can pattern our lives.

We miss you!

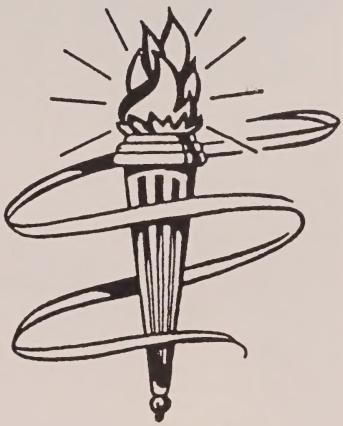
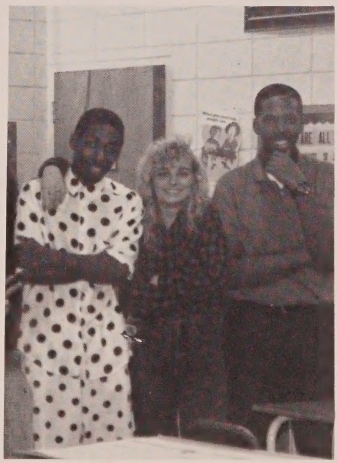
Organizations



This year our clubs and organizations have been very active. Some, such as FHA, FFA, and FBLA, have won district, state, and national awards. We've barely begun quenching our thirst for victory!

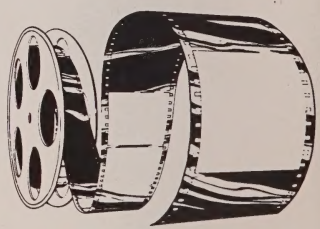


STUDENT COUNCIL

Below are some of the officers of the Student Council. Tina Dorsey and Wendy Jenkins have been in Student Council for a number of years. This is Tina's last year with us but Wendy will keep the Student Council spirit alive next year.

Tina Dorsey: "I enjoyed being Student Council president. It gave me an opportunity to use my leadership skills and to discover some of the skills I didn't know I had. I dedicated myself to doing the best job I could, and I hope that next year's president learns as much from being president as I did. Student Council was fun but it was also hard work. Spending so much time working with the members of our council and those from other councils gave me a chance to learn about them and to make new friends. I want to thank Mr. Pennington for helping me when I needed it and for giving me the opportunity of a lifetime."

Above is Wendy Jenkins, VHSSC Vice-president.



Mr. Buddy Pennington, sponsor of the Vernon High School Student Council, puts in many hours beyond the regular schoolday.

Our Student Council has been involved in many activities this year. Under the supervision and advisement of Mr. Buddy Pennington, the Student Council of Vernon High School has gone farther than ever before and will continue to do so.

Members of VHSSC are (from left to right) Harold Green, Lenore Peterson, Sheron Hogans, Lorraine Momberger, Jonny Buckley, Tracey Lee, Carrie Carter, Paskcale Lambert, Tina Dorsey, Tonia Gilley, and Wendy Jenkins.

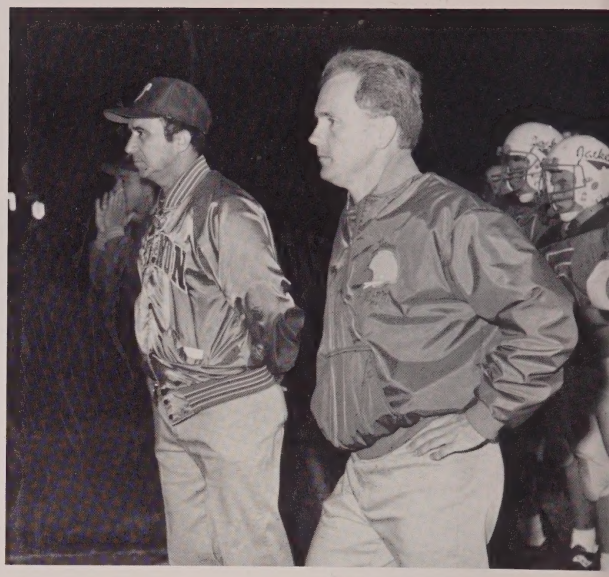
VARSITY FOOTBALL

Dedication and hard work combined together with sweat, pain and team spirit were the winning ingredients for the Vernon Yellow Jackets' Football Team. With the outstanding coaching of coaches Bonner, Sexton, Allen, Alford, Brock, Brown and Todd, the team knew they could look forward to a great learning experience. Many outstanding players helped bring the team two victories. The team worked very hard to compensate for their losses. Our guys never gave up when it got tough. They put more than just 100% into a game. Despite the desperate odds against them, the Jackets held together through everything that came their way to finish their season with great pride. They proved to us their dedication was real.



The coaches were very proud of the effort put forth by the team.

VARSITY VOLLEYBALL

The Vernon High School girls' volleyball team played remarkably well this season. The team won the annual jamboree which was held September 13, 1990, by defeating Marianna by a score of 15-8 and then Blountstown by a score of 15-10. Their record was not as impressive as in past years, but teams get tougher as time goes on. The coach, Mrs. Kim Register, and the returning players look forward to next year as being much more productive than this year.

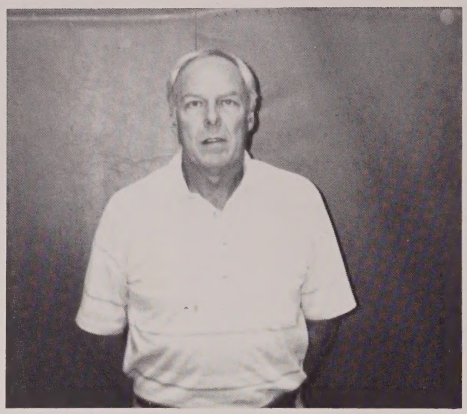
VARSITY BASKETBALL



"The Jackets enjoyed a competitive season against tough competition. High points of the season included victories over all district opponents and in the Christmas Tournament. At Jacksonville, they finished the season playing their best basketball." — Coach Aaron Todd

The small but talented Jacket basketball team started this year off under the leadership of Coach Aaron Todd, who was ready to start the 1990-91 season on a positive note. The Jackets started a little rough because they had to learn how to play as a team, but they worked hard and were very confident at all times.

The high points of the season were winning eleven out of sixteen games, making Chipley suffer a loss at a home game, and watching the team improve every day.

The team had loyal fans who came to most of the games to give them the support they needed. The Jackets didn't make it through District, but they did let the other teams know that they hadn't seen the last of the mighty fighting Jackets.

Each game served as a learning experience."

The B-Team girls' basketball team was young and inexperienced but they possessed a great desire to win. During the course of the year each player gained needed experience for their future years. Left: Coach Kim Register helped the girls prepare for the varsity team.

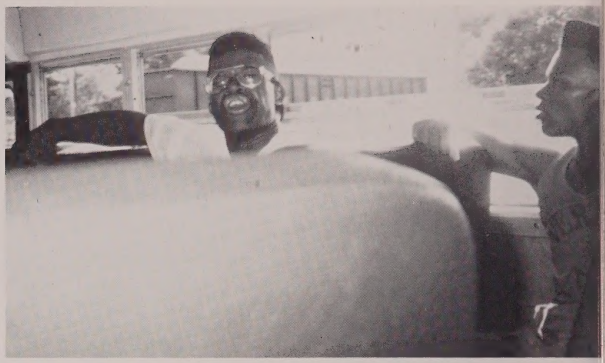
BOYS' TRACK



The Boys' track team had another successful year. As always, the competition was tough but Vernon pulled off another great season, led by Coaches Brown, Brock, and Sexton.

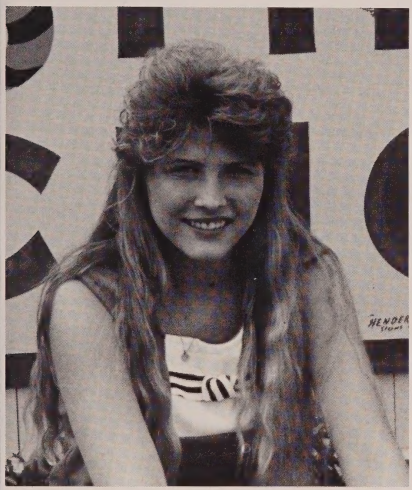
VARSITY CHEERLEADERS

Members of the 1990-91 Varsity Cheerleading Squad are (standing) Dede Peterson, Charlotte Rasnic, Lynn Easterling, Marie Pettis, and Brandi Bright; (kneeling) Faye Griffin, Teresa Crawford, and Tori Batt; (front) Rista Courtney.

The captain and co-captain of any cheerleading squad must provide leadership to the rest of the group. Vernon's two leaders did just that. At the immediate right is cheerleader captain Lynn Easterling. At far right is co-captain Dede Peterson.



The varsity cheerleaders provided the spirit that every team needs in order to play their best. Although cheerleading is fun, it also requires a lot of practice. The girls practice cheers and jumps and also take gymnastic classes, which all calls for each girl to use a lot of her time while others are goofing off. Without the sponsorship of someone who is willing to put forth just as much of her time and effort as the girls, the squad would be at a disadvantage, which is why VHS was lucky to have Mrs. Shirley Haviland (pictured below) as sponsor of the varsity cheerleaders.

B-TEAM CHEERERS

This year's B-team cheeerleading squad was composed of ninth and tenth graders who did a good job of displaying school spirit. They worked hard over the summer learning new cheers and routines. Within their busy schedules they found the time to take gymnastic classes at the Bonifay Recreation Center to make sure their performances were perfect when they cheered at B-team football and basketball games.

A cheerleader's objective is to promote school spirit throughout the season. And that's exactly what each member of the middle school cheerleading squad did. They spent long hours at practice to become the best. The primary duty of the middle school cheerleaders was to cheer the middle school football and basketball teams on to victory.

This year's middle-school cheerleaders are, back row: Katie Nickerson, Kristy Gainey, Kristie Taylor and front row: Amanda Kent, Karen Gilley, Joann Miller, Tynisha Peterson, Melisande Brown, Shamika Troublefield, and Latasha Holley.

Activities

HOMECOMING WEEK

The 1990 Homecoming was quite a celebration. The week long festivities revved up the students and staff with spirit for the Friday night game against Cottondale. The adrenaline began really pumping when half-time rolled around and the 1990-1991 Homecoming Queen was announced. The Homecoming attendants were Angie Williams nominated by Kyle Chesnut, Joy Dennis nominated by Nick Kolmetz, Tina Dorsey nominated by Shane Waller, Whitney Barfield nominated by Jonny Buckley, Michele Jenkins nominated by Randy Miles, Charity Worthing nominated by Richard Holley, second runner-up Sheron Hogans nominated by Greg Andrews, first runner-up Latrelle Reno nominated by Mark Faison, and the 1990-1991 Homecoming Queen is Miss Brandi Bright nominated by Richard Finch.

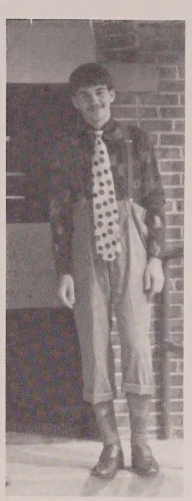
Left — Fans tough out the cold.

Vernon's 1990-1991 Homecoming game was played against Cottondale on October 26. The night was one of those crisp, cold ones that causes everyone to say, "It feels like football weather!" The excitement was contagious as the cheerleaders supported the team with lots of pep. The crowd watched intensely and cheered wildly with every Vernon touchdown. The Jackets played well and trampled the Hornets by a score of 34-28. The victory dance afterwards was well attended, bringing the evening to a happy, successful conclusion. Yes, indeed, this year's Homecoming victory was quite a celebration.

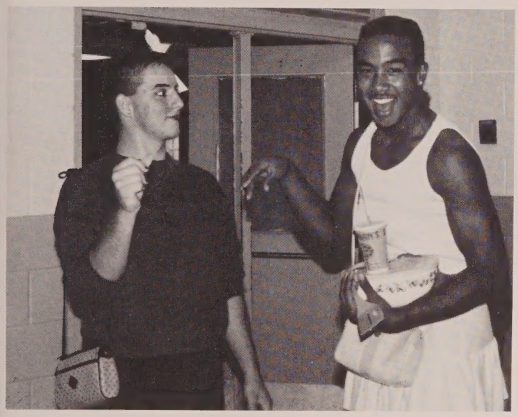
MR. JACKET CONTEST AND SPIRIT WEEK

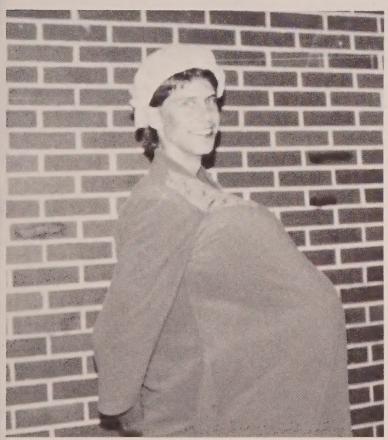
The 1990-1991 Mr. Jacket Contest was a thriller. To begin with, it was like pulling teeth to get the guys to sign up as contestants, but finally enough from the different grades entered and the contest was on! Everyone crowded into the gym to watch the ten young men parade around to see just who was the "coolest." The crowd went wild as the young men strutted their stuff. You could have heard the young ladies for miles, whistling and screaming their appreciation, as they watched James Edwards, Brad Weeks, Steven Bell, Danny Hood, Linwood Hernadez, DeOntra Andrews, Clifton Spooner, Larry Nettles, Richard Holley, andJonny Buckley walk out and model their outfits for sportswear and evening attire. Then the three judges had to make that very difficult decision and choose the top three. The second runner-up was announced. The seniors (and a few other salivating underclassmen) applauded wildly as senior Richard Holley's name was announced. Next, it was the tenth graders' turn to yell as the first runner-up's name was called out: sophomore Linwood Hernandez. A hush fell over the audience, while the contestants smiled nervously at the judges. Then Mr. Pennington announced the 1990-1991 winner of the Mr. Jacket contest, and sophomores once again had something to cheer about — the winner was none other than Danny Hood!

At right, some of the Mr. Jacket contestants gather around and sing Garth Brooks,' "Friends in Low Places."



Spirit Week led off with Opposite Day on Monday, as the girls dressed as guys and the guys (a few of them anyway) dressed as girls. Tuesday was Tacky Day. Fifties Day was on Wednesday, while Thursday was College Day, with everyone wearing a t-shirt or sweatshirt proclaiming their favorite college's name. Friday was, of course, Orange and Blue Day. In addition to the dress-up days, activities such as the pickle barrel and the pudding eating contest were also conducted. This fun-filled week got everyone ready for the big game Friday night.





At far left, Michael Duke shows us his amazingly huge profile on Opposite Day. At the immediate left, a group of tackily-clad students wait in the lunch line.

BANQUET TIME!

The Future Homemakers of America annually have their banquet in the spring. This always requires quite a bit of preparation in order to provide the best possible decorations, food, and program. This year's FHA members, of which there were both male and female, worked hard throughout the year and culminated their efforts with a banquet held in the library at VHS.

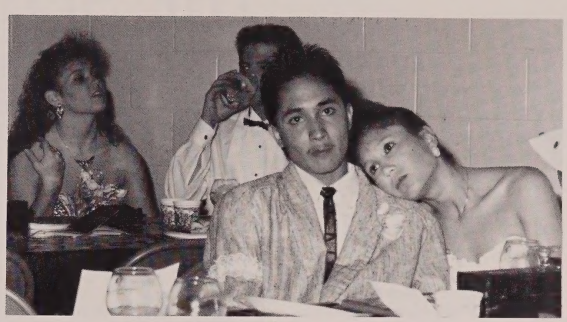
PROM

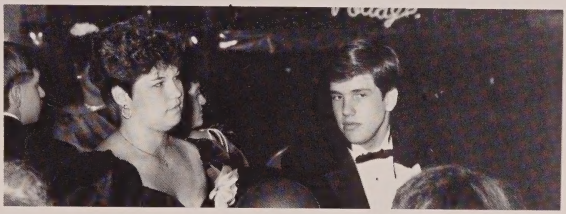
The 1991 Junior-Senior Prom was held May 18, 1991, in the VHS Cafe, beautifully decorated with emerald, purple, and gold, which made for a colorful and interesting night. The evening kicked off with the sounds of High Voltage. The Princess for the evening was Nancy Alford. Then it was announced that Brandi Bright and Nick Kolmetz were King and Queen, so they danced "Together For One Last Time."

Top left, Mark Faison and Tori Batt pose for a picture and show off their style. Top right, Brandi Bright and Nick Kolmetz proudly wear their crowns.

NINETY-ONE



Left, Mrs. Ruth McCrary and faculty are taking it easy while they watch the dancing. Above, David Monroe and Brandi Bright take a rest from the dancing. Below, Niki Brock sits with guest and friends while enjoying music from "High Voltage."

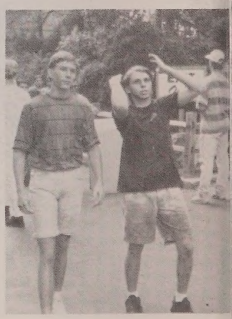


Bottom Left, Tony Hall delights in his date, Teresa Crawford, slipping her garter on his arm.

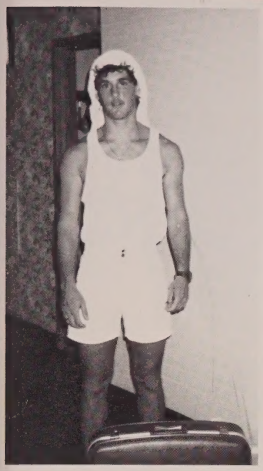
THE SENIOR TRIP

The Seniors of 1991 went to Six Flags Over Georgia, White Water Water Park, and an Atlanta Braves game. They left early on the morning of May 3, and returned around 4 a.m. on May 5. Though the trip was a "little" wet, everyone seemed to have a terrific time. It was a time to enjoy not only the rides but also each other.

Top right, looks like Richard Finch enjoys talking on the telephone. Above, Casey, Jennifer, Doug, Angie, Scott, and Richard get drenched from the log flume ride. At right, most of the crowd (except Sheron and her gang, who were still primping) gather for a group shot.



Above, Shane Waller shows off his driving skills, while Nick Kolmetz and Richard Holley get ready for a ride. At right, Paula and Sheron look a little dubious about this ride. Far right, Kevin and Reid are soaking wet, but some would say they deserve it after the "brownie incident."



Some of the most unforgettable moments of the trip were at the water park. There were many rides to enjoy and people to meet. From water slides to rapid rides they rode them all. Times like these are the ones we look back and remember as time passes by, and it is sure this trip will be remembered not only by the students, but by the teachers as well.

Top left, Stephen Birge, fresh from the shower, ready to hit the water park.
Top middle, Kevin Land, Joy Dennis, and Nick Kolmetz jump out at the end of a ride.
It's hard to say who had more fun at the water park, Reid Marshall, above or Brandi Bright, left.

At far left, Randy, Jonny, Shane, Richard , Doug, and Kyle set off down another water slide. Left, David climbs the steep stadium steps at the Braves game with some refreshments. Above, Sonja, Deangelo, and Harold at the baseball game.

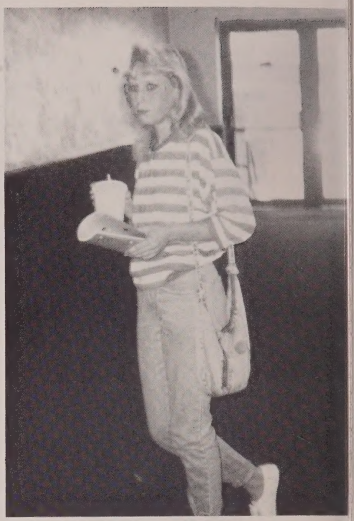
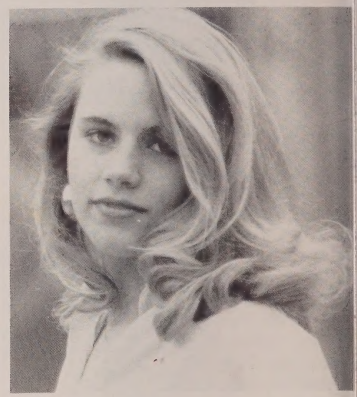
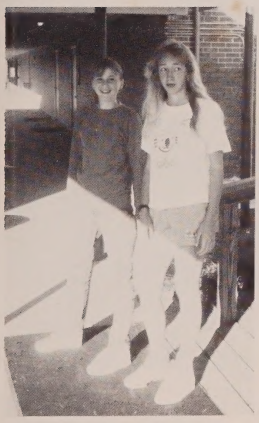
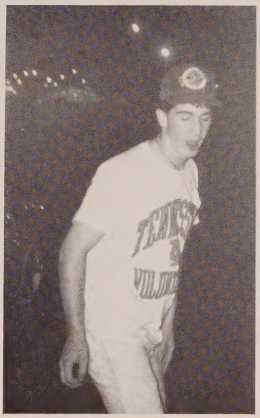
LOOKING FORWARD





Top left, Catura Hood looks forward to being a senior next year. Top right, Mandy Waldo looks forward to joining the high school crowd. Above, Linwood Hernandez, Jaylon Brock, and Summer McKeithen trying to look cool. Middle, Charlotte Rasnic puts her best smile forward. Middle right, Jennifer Sweigart knows she'll one day look forward to looking back on her high school days. Right, band members look forward to another summer band camp.





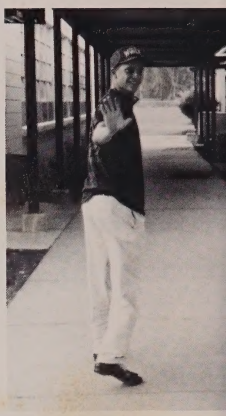
As another school year comes to a close, we're more than ready for summer vacation. However, there is that little bit of nostalgia that comes with the end of a school year — the memories of all the pranks, ball games and extracurricular activities that make up a huge part of school along with the endless classes. If we're honest with ourselves, we know that one day we'll look forward to looking back on our school days at VHS.

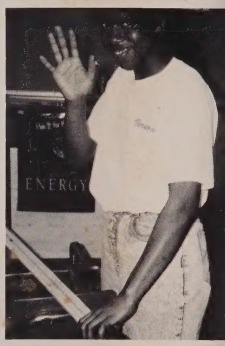
Far left, Kelly Yohn and Amy Watkins. Near left, Eric Trombley looks forward to getting out of school for a while. Bottom, we will all look back on our memories of Tyler Chesnut with happiness that we were able to have known him even for a short period of time.

LOOKING BACK

SO LONG!

In some ways a yearbook is mainly the seniors' story. This year's senior class was definitely an original. In the years to come they will be telling their stories when they get together in a group, beginning with, "Do ya remember when . . . ?" And then they'll need to pull out this yearbook in order to remember the name of so-and-so, and from that point the memories will come back and one story will lead to another. Those of us left at VHS will carry on the traditions, knowing that we, too, will one day Look Forward to Looking Back.





Shane Waller, Jamie Spivey, Sonja Stevens, and a group of seniors all wave bye.
